

The bullies went away, this time. But they would be back. They hadn't finished with this Jesus guy yet.

I wonder how Andy used to feel when his hand didn't work.

I wonder how it felt when Jesus fixed it.

I wonder why the other guys didn't like Jesus.

Sometimes there are people who don't like the things you do. This is not always because you are doing something wrong. Some people seem to spend their life acting like school bullies.

**Jesus had enemies,
they wanted him dead.**
